

Cristiana Pirrongelli. Coordinator of the regional group with Teodosio Giacolini.

- 1) 2006 “Neuroscience and psychotherapeutic techniques” eight month stage: with Prof.V. Gallese, Prof. C.Sinigallia and Dott.G.P. Arciero, “post -rationalist Institute V.Guidano”, Rome.
- 2) “Stereospecific effects of Acetylcarnitine on spontaneous activity colinergic and serotonergic transmission of brainstem neurons”. *Neuropharmacology* 1985 – 24pag. 43/45, in coll. Con Tempesta e Janiri.
- 3) “Slow-release lithium in treatment of schizoaffective syndromes” *Clinical Pharmacology Research* 1985 – 5 (3) pag. 205/211, in coll. Con Romeo, Mauro, Bastianello.
- 4) “A new rating scale of assessing the affect of psychoactive drugs: focus on addiction.” Congresso: World Psychiatric Association, Roma, 9-13 Ottobre 1984 in coll. Con L. Janiri, P. Mannelli, G. L. Conte.
- 5) “Evaluation of psychiatric problems among drug addicts population.” Congresso: World Psychiatric Association, Roma, 9-13 Ottobre 1984 in coll. Con E. Tempesta, G. L. Conte, M. Di Giannantonio.
- 6) “Appraisal of Psychiatric disorders incidence according to DSM III in two population of addicts”. *Acta Medica Romana*, 1987 - 1- pag. 96/108. In coll. Con Tempesta, Clerici, Carta, Janiri.
- 7) “L-acetylcarnitine in depressed elderly subjects. A cross-over study versus placebo”. In coll. Con Ancona, Casella, Janiri, Calvani.
- 8) “Lefetamine abuse and dependance: clinical and withdrawl syndrome”. *British Journal of addiction* 1989 – 84 – pag. 89/95. In coll. Con Mannelli, Lo Monaco, Janiri, Tempesta.
- 9) “The effect of microiontophoretically applied D-L Acetylarnitine on single central neurones”. *Actes of XIII C.I.N.P. Jerusalem* 20/26 June 1982. In coll. Con Janiri, Tempesta, Ancona.
- 10) “A cases report on L-spa addiction.” 14th C.I.N.P. Congress Florence, Italy, June 19-23, 1984. In coll. Con E. Tempesta, L. Janiri, G.L. Conte, L. Ancona.
- 11) “DSM III diagnosis as a guide to identify lithium responders and not responders among schizoaffective and schizoaffective like patients”. 14th C.I.N.P. Congress, Florence, Italy, June 19-23, 1984. In coll. Con R. Romeo, S. Sebastianello, P. Mauro.
- 12) “Carnitine and acetylcarnitine on cholinergic and serotorgic transmission at the medullary-pontine reticular formation level.” 14th C.I.N.P. Congress, Florence, Italy, June 19-23, 1984. In coll. Con E. Tempesta, L. Janiri, L. Ancona.
- 13) “Multiple receptors to putative transmitters in the brainstem reticular formation”. *Convegno Internazionale: Trend and challenges in Psychiatry*, Roma (Italy), July 5-8. 1983. In coll. Con E. Tempesta, L. Janiri.
- 14) "In the pursuit of a psychoanalytical interpretation". New York 2014 NPSA Congress.
